**The HealthCare Connection to host 9<sup>th</sup> Annual Walk to Wellness  
In partnership with The Flying Pig 5K on May 3<sup>rd</sup>**

The HealthCare Connection (THCC) is proud to partner with the Flying Pig Marathon for the first time to present the 9th Annual Walk to Wellness 5K on Saturday, May 3, 2014. The Greater Cincinnati community is invited to join Team THCC and get up, get active, and be healthy, while supporting The HealthCare Connection.

The HealthCare Connection encourages walkers (and runners) to join the "Walk to Wellness" 5K team with family, friends and co-workers on Saturday, May 3, 2014 at 10:00am. Those who register with The HealthCare Connection code will get a discount on the 5K and a free Team THCC T-shirt! The THCC discount code is also good for discounts on registration fees for the 10K, half marathon and marathon. Those who use THCC's discount code help support The HealthCare Connection's mission to serve those who would otherwise suffer without medical and dental care!

Walkers (and runners) who want to support The HealthCare Connection as one of the Flying Pig's Partner Charities can do so by calling Jacqueline Schmucki at 513-483-3081 or emailing her at [jacquelines@healthcare-connection.org](mailto:jacquelines@healthcare-connection.org) to get The HealthCare Connection's discount code. Once someone has been given the code, they can go to the Flying Pig Web site and register for the race of their choice. They will be asked to enter their code and when entered they will be credited with the registration discount and a donation will be made to THCC.

**To get THCC's discount code** or to get more information **call 513-483-3081** or email Jacqueline Schmucki at [jacquelines@healthcare-connection.org](mailto:jacquelines@healthcare-connection.org). **To register** for The HealthCare Connection's 5K event go to [bit.ly/thccpig](http://bit.ly/thccpig).

About The HealthCare Connection

The HealthCare Connection (THCC) provides a medical and dental home primarily to uninsured, underserved and low-income families in our community. Founded in 1967, we are a health care safety net with an annual budget in excess of \$7 million. Our service network consists of three community health centers, one school-based health center, and four primary care/behavioral integrated care co-locations. THCC is always working to expand access to high-quality, affordable primary and preventive care.
